

Safety Data Sheet

1. IDENTIFICATION

Product Name:

Blitz® Silver Shine Care Cloth

Item Number (SKU):

118

Product Description:

Consumer silver cleaning and polishing cloth. The product consists of a single-ply cotton flannel cloth folded, and packaged in a paper sleeve and sealed inside a polyethylene polybag with hang hole for retail sale.

Recommended Use:

For cleaning and polishing sterling silver and silver-plated items in accordance with product label instructions. Not intended for industrial or unintended uses.

Manufacturer Information:

Blitz Manufacturing Corporation

263 America Place

Jeffersonville, IN 47130 USA

Revision: 1

Date: April 20, 2026

Prepared by: RRS

2. HAZARDS IDENTIFICATION

Classification of the Substance or Mixture

This product is not classified as hazardous under the OSHA Hazard Communication Standard (29 CFR 1910.1200).

GHS Label Elements

Hazard pictograms: None required

Signal word: None

Product: \$118, Blitz® Silver Shine Care Cloth

Page: 2

Hazard statements: None required

Precautionary Statements

Use as directed.

Keep out of reach of children.

Read and follow all label instructions.

Other Hazards

This product is a solid consumer article. The cloth and its packaging are not intended for ingestion. Small packaging components may present a choking hazard if ingested by infants, children, pets, or other unintended users.

California Proposition 65

This product does not contain ingredients listed under California Proposition 65 as of the date of preparation.

Additional Hazard Information

No additional hazards are identified based on current knowledge of the product and its intended consumer use.

3. COMPOSITION / INFORMATION ON INGREDIENTS

Chemical Characterization

Treated solid article.

Hazardous Ingredients

None.

Non-Hazardous Components

The active agents with which these polishing cloths are impregnated are non-hazardous and are a proprietary composition. The cloth substrate is treated with non-hazardous cleaning and polishing agents.

Additional Information

The proprietary composition applied to the cloth is not listed on any hazardous substance lists. Specific chemical identities and concentrations are withheld as trade secrets in accordance with 29 CFR 1910.1200. No ingredients are classified as hazardous under applicable U.S. regulations.

4. FIRST AID MEASURES

Description of First Aid Measures:

Eye Contact:

If residue or contact causes eye irritation, gently flush eyes with clean water. Remove contact lenses if present and easy to do. Seek medical advice if irritation persists.

Skin Contact:

Generally non-irritating. Wash skin with water if residue transfer occurs. Discontinue use if irritation develops.

Inhalation:

Not applicable. The product is a solid article and cannot be inhaled.

Ingestion:

Accidental ingestion is unlikely due to the nature of the product. If ingestion of the cloth or packaging components is suspected, especially involving an infant or child, seek medical attention promptly.

Most Important Symptoms and Effects:

No significant adverse health effects are expected under normal consumer use.

Indication of Immediate Medical Attention and Special Treatment Needed:

Treat symptomatically. No special treatment required.

5. FIRE FIGHTING MEASURES

SECTION 5 – FIRE FIGHTING MEASURES

Suitable Extinguishing Media:

Use extinguishing media appropriate for surrounding fire conditions.

Unsuitable Extinguishing Media:

None known.

Specific Hazards Arising from the Product:

The product is a solid treated cloth. No unusual fire or explosion hazards are associated with the product.

Special Protective Equipment and Precautions for Firefighters:

No special protective equipment is required beyond that normally used for firefighting involving ordinary combustible materials.

Hazardous Combustion Products:

Combustion of cloth or packaging materials may produce carbon dioxide, carbon monoxide, and water vapor (steam).

6. ACCIDENTAL RELEASE MEASURES

Personal Precautions, Protective Equipment, and Emergency Procedures:

Not applicable. This product is a solid consumer article. No special emergency procedures or personal protective equipment are required.

Environmental Precautions:

No special environmental precautions are necessary. Do not intentionally discard used cloths or packaging into the environment.

Methods and Materials for Containment and Cleanup:

Not applicable. Dispose of used or unused cloths in a sanitary manner in accordance with local regulations. Packaging materials may be recyclable depending on local recycling programs.

7. HANDLING AND STORAGE

Precautions for Safe Handling:

Use as directed. Avoid contact with eyes. Dispose of cloth after use. Do not ingest. Do not wash the cloth, as washing will remove the active polishing treatment and render the product ineffective. Keep product and packaging components out of reach of children.

Product: \$118, Blitz® Silver Shine Care Cloth

Page: 4

Storage:

Use as directed. Avoid contact with eyes.

Conditions for Safe Storage:

Store in a cool, dry place. Keep packaging closed when not in use. Keep out of reach of children.

8. EXPOSURE CONTROLS AND PERSONAL PROTECTION

Exposure Limits: No occupational exposure limits have been established for this product or its components.

Engineering Controls:

None required for normal consumer use.

Personal Protective Equipment:

No special personal protective equipment is required. Gloves may be worn if desired.

During normal use, dark residue may be observed on the cloth or hands as tarnish and polish residue are removed from metal surfaces. Wash hands thoroughly after use to remove residue.

Respiratory Protection: Not applicable.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Dry, single-ply treated cotton flannel polishing cloth in paper and polyethylene bag.

Odor: None.

Physical State: Solid (treated cloth).

Specific Gravity: Not applicable.

Boiling Point: Not applicable.

Freezing Point: Not applicable.

Solubility in Water: Not applicable. Washing the cloth is not recommended, as it will remove the active treatment.

pH: Not applicable.

Volatile Organic Compounds (VOCs): None.

Additional Information: This product is not intended for ingestion. The cloth and packaging components may present a choking hazard if misused.

10. STABILITY AND REACTIVITY

Reactivity:

No hazardous reactions are expected under normal conditions of use.

Chemical Stability:

Stable under normal storage and use conditions.

Possibility of Hazardous Reactions:

No hazardous reactions known.

Conditions to Avoid:

Do not wash, boil, or chemically treat the cloth, as this will remove the active polishing treatment and render the product ineffective.

Incompatible Materials:

Do not combine with other chemical cleaners or treatments, as this may damage jewelry surfaces.

Product: \$118, Blitz® Silver Shine Care Cloth

Page: 5

Hazardous Decomposition Products:

None known.

11. TOXICOLOGICAL INFORMATION

No toxicological testing data have been generated for this product. Based on ingredient characteristics and intended consumer use, the product is considered non-toxic and non-hazardous.

Routes of Exposure:

Skin and eye contact.

Acute Effects:

No known acute health effects under normal conditions of use. Mild irritation may occur in sensitive individuals.

Chronic Effects:

No known chronic health effects.

Carcinogenicity:

No components are listed as carcinogenic by OSHA, IARC, NTP, or other regulatory agencies.

12. ECOLOGICAL INFORMATION

Ecotoxicity:

No ecological toxicity data are available. The product is not expected to present environmental hazards when used and disposed of properly.

Persistence and Degradability:

The polishing cloth is not biodegradable and may persist in the environment. Packaging materials may be recyclable depending on local recycling programs.

Bioaccumulative Potential:

Not expected to bioaccumulate.

13. DISPOSAL CONSIDERATIONS

Dispose of used cloths in a sanitary manner in accordance with local regulations. Do not wash cloths prior to disposal. Packaging materials may be recyclable depending on local recycling programs.

14. TRANSPORT INFORMATION

SECTION 14 – TRANSPORT INFORMATION

U.S. DOT:

Not regulated as a hazardous material.

UN Number:

Not assigned.

Transport Hazard Class:

Not applicable.

Packing Group:

Not applicable.

Harmonized Tariff Code (HS):

6307.10.1090

15. REGULATORY INFORMATION

SECTION 15 – REGULATORY INFORMATION

This product is not regulated as a hazardous chemical under applicable U.S. federal regulations, including OSHA Hazard Communication Standard (29 CFR 1910.1200).

16. OTHER INFORMATION

Refer to the product label for instructions, cautions, and directions for use. This Safety Data Sheet has been prepared based on the best information available and is intended for consumer safety and regulatory reference.
