COOL COMPANIONS EARRINGS

DESIGN IDEA LA2U

MATERIALS

- [Bead, gold-plated brass, 3mm corrugated rondelle](#)
- [Ear wire fishhook Amoracast® sterling silver, 13mm / 6.5x4.5mm top hat / open loop / satin finish, 20 gauge “vermeil”](#)
- [Head pin, gold-plated brass, 21 gauge](#)
- [Pearl pearlescent white, Crystal Passions® 6mm round 5810](#)
- [Pearl pearlescent white, Crystal Passions® 8mm round 5810](#)
- [Thread, Purely Silk™, red, size F](#)

[Design Idea LA2U](#)

STEP 1

Cut twelve 2-inch lengths of Purely Silk™ thread.

STEP 2

Line up two lengths of thread, forming one strand. Repeat for a total of three strands.

Form a braid using the three strands.

STEP 3

Insert one end of the braid into one 3mm rondelle bead then crimp. Repeat to the opposite of the braid strand, creating a scarf.

STEP 4

String one 8mm pearlescent white pearl and two 6mm pearlescent white pearls onto on 1-1/2 inch head pin.

Form a simple loop.

STEP 5

String the simple loop onto the ear wire, making sure that the top hat is facing outward.

STEP 6

Take the scarf and wrap it around the pearls, making sure to wrap it in between the 6mm pearls.

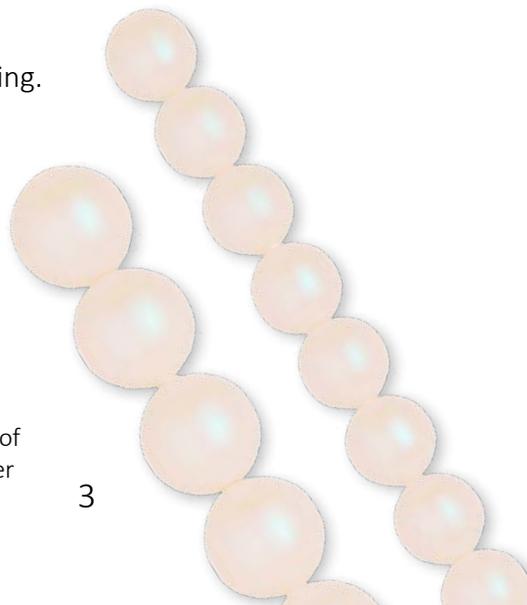

STEP 7

Mix a small amount of Devcon® 5-Minute® Epoxy according to manufacturer’s instructions.

Apply the epoxy onto one end of the scarf then place the opposite end of the scarf over it, making sure the scarf crosses itself to create an earring.

STEP 8

Repeat Steps 2 through 7 to create a second earring.

MY FROSTY FRIEND'S EARRINGS

DESIGN IDEA KA2F

MATERIALS

- [Bead, crackle glass, opaque matte white, 6mm round](#)
- [Bead, crackle glass, opaque matte white, 8mm round](#)
- [Bead, Czech pressed glass, jet, 6x2.5mm rondelle](#)
- [Ear wire fishhook angular / 3.5mm stardust ball / perfect balance / open loop, 22 gauge brass](#)
- [Head pin, silver-plated brass 21 gauge](#)
- [Seed bead, Miyuki, glass, #15 rocaille, opaque luster white pearl \(RR-420\)](#)
- [Seed bead, Miyuki, glass, #15 rocaille, opaque red \(RR-408\)](#)
- [Seed bead, Preciosa Ornela Czech glass, #6 rocaille, opaque black, \(23980\)](#)
- [Wire, Zebra Wire™, tinned copper, silver color, round, 26 gauge](#)

STEP 1

String the following onto a head pin and create a wrapped loop:

- One 8mm round
- One 6mm round
- One 6mm rondelle
- One #6 seed bead

Repeat to create a second snowman drop.

STEP 2

Cut two 2-inch lengths of 26-gauge wire. String and center enough alternating red and pearl seed beads onto the wire to wrap around the "neck" of the snowman.

Wrap the beaded wire around like a scarf then twist to secure, just after both ends of the beads.

String alternating red and pearl seed beads on one end of the wire then create a U-bend to secure the beads. Trim the excess wire. Repeat on the second end of the wire.

Repeat to add a beaded scarf to the second snowman drop.

STEP 3

Add a snowman drops to the loops of ear wires.
